1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [Keeping Children Safe in Education](#)

➤ [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with our trust's funding agreement and articles of association.

 - Making sure both schools in the trust record attendance accurately in the register, and share the required information with the DfE and local authorities
 - Making sure that schools in the trust work effectively with local partners to help remove barriers to attendance, and keep them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the trust's policies and ethos
- Making sure the schools' attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the trust has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most, through termly attendance review meetings with each individual school
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole trust's and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance, including with teachers from across the trust, as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The trust's legal requirements for keeping registers
 - The trust's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Sharing effective practice on attendance management and improvement across the trust and providing regular opportunities for staff from different schools to come together, learn from each other and share resources
- Holding the executive headteacher and heads of school to account for the implementation of this policy
- Identifying and monitoring attendance patterns across the trust's schools to identify common issues and barriers, and share effective practice between schools

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary and/or authorising identified school senior leaders to be able to do so
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The trust attendance lead and central team

The trust central attendance team is responsible for:

- Driving attendance improvement across the trust
- Working more intensively with schools who require support to improve attendance
- Acting as a central contact point for schools with attendance queries
- Liaising with the DfE's regional teams for advice about wider support programmes

The trust central attendance team is Beverley Evans and can be contacted via bevans@illuminate minds.org.

- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff

- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance the head of school.

3.5 The school attendance officer

The school attendance officer at each school is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the executive headteacher and head of school
- Working with education welfare officers to tackle persistent absence
- Advising the head (authorised by the headteacher) when to issue fixed-penalty notices

The attendance officer at Pelham is Mr W Bialek (wbialek@illuminateminds.org) and at Fairford is Mrs L Reynolds (lreynolds@illuminateminds.org) and can be contacted via their school office number.

3.6 Class teachers

All class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office.

3.7 School admin/office staff

School admin/ office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the head of school, where appropriate, in order to provide them with more detailed support on attendance

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8.50am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting Mr Bialek (Pelham) or Mrs Reynolds (Fairford) both can be contacted via their school office.

3.9 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.50 and ends at 15.20

Pupils must arrive in school by 8.50 on each school day.

The register for the first session will be taken at 8.50 and will be kept open until 9.20 The register for the second session will be taken at 13.00 and will be kept open until 13.30.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.30, or as soon as practically possible, by calling the school office staff, who can be contacted via 02083036556 for Pelham or 01322 333998 for Fairford.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

If a child arrives after the register has been taken, there will be a late registration mark (L). If your child arrives after 09.30 a.m. then an absence mark (U) is entered onto the system.

Late attendance has a negative impact upon both the child's learning and progress and the development of social skills.

Head teacher and DSL monitors lateness of pupils as being punctual for school is crucial. Lateness into school causes disruption to that individual's learning and to that of the other pupils in the class. It is paramount therefore that all pupils arrive at school on time, where they are welcomed at their designated entrance point before going straight to class.

Where there are concerns about punctuality, the school will make verbal contact with parents/carers. If the concerns persist, the Head Teacher or Deputy Head Teacher will write to the parents/carers using the standard school letter about punctuality, including a copy of the child's registration certificate, and stating the total minutes late over a determined period. However, in order to tackle punctuality robustly, spot checks are undertaken by the Head Teachers and letters sent out by the Attendance Officer after three late marks, followed up by a letter from the Head after six late marks and meetings with the School Attendance Officer where a child has reached ten late marks.

If there is no improvement over a two-week period, the school will arrange a follow up meeting with the parent/carer and Attendance Officer / Head Teacher. In the event of persistent lateness, the school may make a formal referral to the commissioned Education Welfare Service.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct home visits or contact the police/EWO to complete a welfare check.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer

- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: the school may issue a notice to improve, penalty notice or other legal intervention – please see section 5.2 below.4.6 Reporting to parents

The schools will log conversations with parents about attendance to assist in the monitoring of attendance and the offering of support.

To enable the appropriate coding of attendance or the authorisation of absence, the Trust schools may request additional information or evidence, e.g., in relation to medical appointments or illness (medical evidence may include: an appointment letter, a GP appointment card signed / stamped by a receptionist, a prescription, prescribed medication).

Regular checks on attendance are carried out by all class teachers. The Attendance Registers are marked twice each day, at the start of the morning session and again in the afternoon. Registers are checked by Administrative Staff with all attendance recorded on Arbor.

All absences and persistent lateness are investigated. When the register closes the Administrative Staff check the messages and operate 'first day calling' for those pupils absent with no reason given. Where no contact can be made, a home visit will be undertaken by the attendance Officer. Where contact is still not possible by the third day or where there are on-going safeguarding concerns, additional intervention through the EWO Service will be requested or contact made with the police to undertake a welfare check.

Attendance data is held electronically accessible by the CEO, Head Teacher, Deputy Head Teacher and Administrative Staff who are able to conduct spot checks on individual children and provide comprehensive attendance records.

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.8 above) about their child's attendance and absence levels.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The executive headteacher or head of school will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The executive headteacher or head of school will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the executive headteacher or head of school's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is highly unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence. The executive headteacher or head of school may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our trust will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, are not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Weekly school newsletters to Parents/Carers will highlight the importance of punctuality and attendance.

Although the aspiration for all of our schools is to achieve 100% attendance, we recognise that there are occasions where pupils may be unable to attend school and therefore have a Trust target of 97% across our schools.

Weekly assemblies are used to recognise not only those classes which have the best attendance and pupils with 100% attendance but also those pupils who have made improvements over time.

Each school has an extensive range of additional rewards to recognise both 97%+ / 100% attendance and improvements which are tailored to the population within the school.

These include weekly assemblies celebrating excellent and improved attendance. Recognition class prizes for classes with 100% - extra playtime, event afternoons and termly awards which are given with certificates for those with 100% attendance.

Pupils with 100% at the end of the school year receive certificates and rewards and are entered into a draw to win a special prize. Although 97% is our target for attendance, we are mindful of the need for flexibility in recognising improvements on previously poor attendance and the value of positive input for those who are near to our goal at 96%, targeting praise and encouragement at this specific group to support further efforts to meet the overall target level.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Our approach towards pupils with complex barriers to attendance is by working with families and identifying strategies for removing in-school barriers.

7.2 Pupils absent due to mental or physical ill health or SEND

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

The school recognises that learners with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support learners who find attending school difficult.

The school will ensure that reasonable adjustments are made for disabled pupils to reduce barriers to attendance, in line with any Educational Health Care (EHC) plans that have been implemented. The school will secure additional support from external partners to help bolster attendance where appropriate. Where the school has concerns that a pupil's non-attendance may be related to mental health issues, parents will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance.

Where staff have a mental health concern about a pupil that is also a safeguarding concern, they will inform the Designated Safeguarding Lead (DSL) and the Child Protection and Safeguarding Policy will be followed. If a learner is unable to attend school for long periods of time due to their health, the school will:

- Inform the LA if a learner is likely to be away from the school for more than 15 school days
- Provide the LA with information about the pupil's needs, capabilities and programme of work
- Help the pupil reintegrate at school when they return
- Make sure the pupil is kept informed about school events and clubs
- Encourage the pupils to stay in contact with other learners during their absence

The school will incorporate an action plan to help any learners with SEND and/or health issues cope with the stress and anxiety that attending school may cause them. Such plans will be regularly monitored and reviewed until the learner is attending school as normal and there have been signs of significant improvement.

To support the attendance of learners with SEND and/or health issues, the school will consider:

- Holding termly meetings to evaluate any implemented reasonable adjustments
- Use assessment tools to support with identifying possible additional needs
- Identifying learners' unmet needs through the Early Help process
- Using an internal or external specialist

- Enabling a pupil to have a reduced timetable (this is usually a time limited approach)
- Ensuring a pupil can have somewhere quiet to spend lunch and break times
- Implementing a system whereby pupils can request to leave a classroom if they feel they need time out
- Temporary late starts or early finishes
- Phased returns to school where there has been a long absence
- Small group work or on-to-one lessons
- Tailored support to meet their individual needs

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

We will work closely with families to support pupils back into school after a lengthy or unavoidable period of absence.

8. Attendance monitoring

We will work closely with families to support pupils back into school after a lengthy or unavoidable period of absence.

8.1 Monitoring attendance

The schools will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The schools will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The schools will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

8.3 Using data to improve attendance

The schools will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs coordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the Trust's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum biannually by Beverley Evans. At every review, the policy will be approved by the full board of trustees.

10. Links with other policies

This policy links to the following policies:
